

LIONS CLUBS INTERNATIONAL – RECYCLE FOR SIGHT

Help someone see better. Help a child read and learn.

The Willow Springs Public Library is pleased to partner with our local Willow Springs Lions Club as a collection point for the Recycle For Sight program.

Lion's International recycles eyeglasses – both prescription and reading glasses. With the help of volunteer optometrists, they get the glasses into the hands of children and adults who need vision assistance.

Drop off your gently used readers or prescription glasses, lenses, or frames during regular library hours.
